# INTRODUCTION AND GENERAL INDEX

---

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the latest edition of the Fayetteville City Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 City, County, State and National Directories).

Confidence in the growth of Fayetteville's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Fayetteville to the world.

The enviable position occupied by HILL's Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Fayetteville City Directory will fulfill its mission as a source of authentic information pertaining to the city.

## Four Major Departments

The four major departments are arranged in the following order:--

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings--a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Fayetteville, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Fayetteville, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols, and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

## Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Fayetteville.

### The Fayetteville Out-of-Town City Directory Library

This is one of more than over 800 Directory Libraries installed in the cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your Publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

These selected phases of the Fayetteville economy's growth during the past decade reflect a steady diversified development that includes industry, motel, retail and service establishments of most every type. Not to be overlooked is the construction business which has, of course, been especially necessary for the building of housing, in addition providing the required buildings for the other areas already mentioned, plus highways, roads, streets, public buildings and installations on nearby Fort Bragg and Pope Air Force Base.

**INDUSTRY**—The Fayetteville industrial pattern is quite diversified—producing chemicals, plastics, synthetic fibers, picture frames, electric ventilating equipment, power tools, oil filters, numerous textiles, curtains and draperies, specialty cut and sew items, tires, poultry feed supplements, pre-cut housing and numerous other items. Its diversity has been quite effective in providing a healthy balance for the local economy among industry and the services.

Rohm Haas—Synthetic Fibers

Black And Decker—Power Hand Tools

RETAILING—Fayetteville's retail economy has grown and developed with the population, registering a 174<sup>0</sup>/<sub>o</sub> increase between 1961 and 1971.

<u>1961</u>	<u>1964</u>	<u>1970</u>	<u>1971</u>

Its principal competitive markets being sixty miles distant or more, this pattern should continue indefinitely.

In addition to its original downtown shopping complex, like most every population center in the country, Fayetteville has numerous urban shopping centers that continue to expand.

Some of the shopping centers in the Fayetteville Area.

**TOURIST AND TRAVEL**—Being situated midway between New York and Florida on Interstate 95, supplemented by U. S. 13, 301 and 401; N. C. 24, 53, 59, 87 and 210, the area presently supports forty-four motels, with others under construction. These have, of course, attracted regional and statewide meetings and conventions of all sizes and types to both the motels and the Cumberland County Memorial Auditorium and Exhibit Hall complex. The latter also serves as an entertainment center for the area throughout the year with its 2,439 seat auditorium and the exhibit hall, both of which are completely air conditioned.

Downtown Fayetteville—Ever Expanding And Growing

**TRANSPORTATION—Air—Barge—Bus—Rail—Truck—**Few areas in the country are served by all these phases of transportation. Being situated geographically as it is, Fayetteville enjoys all of these.

With a constantly expanding modern airport, capable of accommodating most all equipment in use today, Fayetteville becomes more a center of transportation each day for southeastern North Carolina and portions of nearby South Carolina.

Water borne petroleum and liquid fertilizer that move inland ninety miles up the Cape Fear River are competitive into South Carolina and points in Virginia. Tonnage increases annually, and with the completion of flood and water control facilities upstream, should be spurred considerably.

Being situated on the main line of the Seaboard Coast Line Railroad naturally provides splendid service both north and south.

**PARKS AND RECREATION—**City of Fayetteville maintains 41 parks with areas totaling 354 acres under the direction and supervision of a full time parks and recreation director with a year 'round program of activities.

Fourteen miles downstream on the Cape Fear River, on N. C. 87, the U. S. Corps of Engineers maintains a beautiful park adjacent to the William O. Huske lock.

**CHURCHES—**There are some 200 or more churches in the area, representing most all faiths.

### *Out of Sight! - Out of Mind! - Out of Business!*

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## *Out of Sight—Out of Mind*

### ● *Out of Business* ●

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight.

## Do Not Lend Your CITY DIRECTORY

### IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

## PLEASE! Do Not Lend Your CITY DIRECTORY

### IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.
